

PAINT SPOT[®]

Summer Camp / Moms Day Away Kids Paint 'n Play 2009 9:30am—2:00pm

Paint Spot's Summer Camp program is a hands-on lesson in creativity. There is something very magical about children when they are thinking and working creatively. We are devoted to providing a safe environment where children are encouraged to express themselves freely and discover their unique creativity.

Each curriculum will be offered for ages 5 & up. Our camp is designed to provide different kinds of learning and fun for your child through a variety of mediums. Children will create artistic and functional pottery pieces while learning new painting techniques. Our staff will provide encouragement and knowledge for your little sponges to absorb!
